Description

Chem-Dry is the world's largest carpet cleaning franchise — and one of the most economical, multi-unit franchise opportunities you can own. Our Master Franchisees have been establishing Chem-Dry in the Global marketplace, since 1987. For entrepreneurs thinking about opening a Master Franchise, the benefits go beyond effective cleaning. Chem-Dry removes some of the biggest obstacles to starting your own business with a proven track record, global presence, benefits of a franchise (Marketing, Operational and Training materials) along with the support from the International office in America to fellow Master Franchisees.

Why Chem-Dry is top-ranked franchise to own:

- Carpet cleaning is expected to exceed [\\$6.9 billion](#) in 2028
- Chem-Dry is the nation's largest carpet cleaning franchise
- Nearly 2,000 franchises in the United States and nearly 30 countries worldwide use our patented products, and we have a track record of over 45 years of experience and success
- Carpet cleaning is a highly-fragmented industry with tremendous growth potential, and Chem-Dry is the industry leader
