Description

Happy Cat Hotel & Spa is a luxury, cats-only boarding and grooming franchise, offering themed suites, enrichment activities, and spa services that provide a stress-free environment for feline guests and peace of mind for their owners. As the first cat-focused franchise, we are leading the way in an underserved and growing market. With the pet care industry skyrocketing and the dog care sector oversaturated, Happy Cat Hotel & Spa stands out as a unique and lucrative opportunity. Franchisees benefit from a proven system, unparalleled support, and the chance to bring this innovative concept to cat owners in their communities.
